

# Membership of The RHS Fruit Group is open to all RHS members on payment of the annual subscription

For more information please visit:

[www.thefruitgroup.org](http://www.thefruitgroup.org)

email: [membership@thefruitgroup.org](mailto:membership@thefruitgroup.org)

The RHS Fruit Group is run by RHS members, for RHS members, and provides a place for discussion about fruit and fruit growing with other enthusiasts, as well as opportunities to attend a wide range of events including lectures, guided visits and workshops.

This group is for anyone with an interest in growing fruit, whether in a large garden, small garden, allotment or a window box.

## The RHS Fruit Group welcomes all RHS fruit enthusiasts

The RHS Fruit Group is one of the major special interest groups of the Royal Horticultural Society.

Our annual programme includes:

- Informative talks and lectures at RHS centres from experts
- Guided visits to commercial fruit orchards and to private, public and historic gardens
- Opportunities to share ideas with fellow enthusiasts
- Three newsletters each year, full of fruit news and information
- The chance to taste a wide range of fruit varieties, common and rare

Membership is just £12.00 per year, subscription runs January to December.

## The RHS Fruit Group operates from Wisley

there are also regional branches with additional local activities for the South West, based at RHS Garden Rosemoor, and for the Midlands, based at Pershore College. If you live in either the South West of England or the Midlands you will also be enrolled in the appropriate Branch, for which there is no extra subscription.

The RHS Fruit Group also has links with the  
**Northern Fruit Group**

Some meetings are held at RHS Garden Harlow Carr. Teaching Gardens are at Otley and at Huddersfield.

For more information visit the website
